

Our Fellowship

Twelve-Step Programs: A Fellowship for recovery from almost any problem

Today there are literally hundreds of different twelve-step groups in the Elgin Area, with our club open to host meetings from any fellowships looking for a home.

Weekly Twelve-Step* Meetings Include:

- Al-Anon/Alateen
- Alcoholics Anonymous (AA)
- Adult Children of Alcoholics (ACA)
- Dual-Recovery Anonymous (DRA)
- Emotions Anonymous (EA)
- Gamblers Anonymous (GA)
- Narcotics Anonymous (NA)
- Overeaters Anonymous (OA)

Pretty much any problem that an individual or family could experience has an anonymous fellowship somewhere that can help them find recovery.

While all of these iterations are based off of the original twelve-steps and guiding principals developed by Alcoholics Anonymous in 1935, they all bring their own recovery-based variation to specific issues.

**The twelve-step method has been adapted widely by fellowships of people recovering from various addictions, compulsive behaviors, and mental health problems.*
